

European Princess Cruise June 19th-June 29th, 2008, 10-night cruise

This year we are going to Europe on Princess Cruises *Crown Princess*®. This will be Copenhagen, Denmark round trip and will be going as far as St. Petersburg, Russia. We will also be stopping in Stockholm, Sweden, Helsinki, Finland, Tallinn, Estonia, Gdansk, Poland, and Oslo, Norway. We will have 2 full days in St. Petersburg (where Catherine the Great had her winter palace). As in the past, space is limited and cabins will be reserved on a first-come, first-serve basis. Unfortunately, you will need to book this cruise early as final payment comes April 5th. You will have to make your deposit by February to get on this cruise. We have reserved 15 balcony cabins, 4 outside cabins and 2 inside cabins for your choice. Mini suites, triples and quads are available on request -- these go really fast-- so please let me know within the next few weeks (Princess would not allow me to hold these for you without full deposit). Other categories and insurance are available on request. The prices quoted are without air, so call me and let me know if you would like me to check out the air for you. You may also use frequent flyer miles for this cruise—you would need round trip air from your major airport to Copenhagen, Denmark. There is also an opportunity to go into Copenhagen 2 days before we sail. This airfare will be at a significant savings to the airfare Princess is offering. It is on American Airlines and leaves on June 16th.
